Re: Paul Denton v. United States of America, etal. 2:07cv2670-D.

Dear Ms. Elchlepp:

Please find enclosed a copy of an order that I received from the court on or about July 17, 2008, "Notice Of Setting". At the bottom of the order it states that if I have any questions that I can call you, it is very hard to get a phone call at this institution, even for legal matters.

What I need to know is, what is the procedure that I must go through to get an attorney to represent me in this matter. I am aware of the fact that I am not entitled to counsel in a civil matter, but I will need a lawyer. To date, the only help that I have had with this matter is one other inmate. I have no legal knowledge what-so-ever and I am not able to represent myself in federal court.

I was told that the court's have a list of attorneys that may take a case like mine, if that is so, would you please send me a copy of that list so that I can write to one or more of them to see if I can get an attorney. I don't want to miss any of my filing dates and I want all of the motions filed in this matter to be correct. Thank you very much for your time and for your help, would you please get back to me as soon as possible.
